SIR,

In submitting herewith copy of letter No. C3-4259/31-32 dated 24-5-32 from the Deputy Commissioner, Bangalore District, in re. the construction of a temple at Agara village, I have the honor to state that the Sri Banuranthadevaru temple building and its Inam lands at Thalur, Bangalore Taluk, were acquired for the Military New Rifle Ran Range and that the devotees of the temple have removed the deity to Agara, a village close by, with a view to renovate an old and dilapidated temple building already existing there and instal the deity therein. The Amildar reports that the villagers have come forward to contribute half the cost for constructing the building and have already executed the work to the extent of Rs 400/-. The entire cost of the temple building and the consecration ceremony of the deity are estimated to exceed the sum of Rs 900/- available at the credit of the institution which was awarded as compensation both for the temple building and the inam lands pertaining to the institution. The Deputy Commissioner requests sanction to utilise the compensation amount of Rs 900/- awarded for the temple building etc., for payment to the Contractor after getting the work measured and certified to by the Assistant Engineer. In the above circumstances I request that the Deputy Commissioner's proposal may kindly be sanctioned.

Letter No.C3-4259/31-32 dated 24-5-32 from the Deputy Commissioner, Pangalore District, to the Muzrai Commissioner in Mysore.

In continuation of this office No.C3-4259/31-32 dated 2nd May 1932 in the matter of the construction of ~~the~~ a temple at Agara village, Pangalore Taluk, I have the honor to state that I visited Agara today and found that the building under construction is not a new one. It is only a reconstruction of an old and dilapidated temple at the place which the villagers are now renovating and intend installing the idol of the Sri Anjaneyaswami removed from the Ibloor temple. Under these circumstances no fresh sanction of Government is necessary in the case. I request that formal sanction may kindly be accorded to utilise the amount awarded as compensation for the temple building and a portion of the Inam land on which the temple at Ibl̥ur was situated for the reconstruction of the temple at Agara. The amount will be paid to the Contractor after getting the work measured and certified by the local Assistant Engineer.

Letter No.C3-4259/31-32 dated 15-5-32 from the Deputy Commissioner, Bangalore District. to the Muzrai Commissioner in Mysore.

Have the honor to state that the Sub Division Officer, Bangalore Sub Division reports in his No.P2-PR.326/31-32 dated 12th April 1932 that the Sri Hanumanthadevaru temple at Ibalur, Bangalore Taluk, which came with in the area of the New Rifle Range at Ibalur had to be demolished and that the idol had to be removed from there. Consequently the idol was removed to Agara a village close by and as desired by the devotees a new building had to be constructed on a site selected by them at Agara immediately. The work has already been executed at a cost of R 400/- and the entire construction and the installation ceremony of the deity in the new temple are estimated by him to exceed the amount available at the credit of the institution viz., P 900/- awarded as compensation both for the building and the Inam lands pertaining to the temple and adds that the work had to be commenced without any approved plan or estimate because the devotees feared that delay in the construction of the temple and installation of the deity might result in serious consequences and recommends that formal approval may be accorded for the construction of the temple on the site selected by the devotees at Agara.

Under the circumstances explained by the Sub Division Officer sanction may kindly be accorded for the construction of the new building at Agara and the installation of the deity therein.

The file of papers ending with the Sub Division Officer's report No. P2.PR.326/31-32 is enclosed herewith for your reference.
